KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing engineering and project related services for a wastewater storage facility in the city of Black Diamond and for the other activities included in Attachment 1, Scope of Work.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at http://www.metrokc.gov/procurement/rfp_rf_q_itb/new_cons_u.aspx. The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County estimates the value of Phase 1 to be \$375,000. King County reserves the right to amend the resulting contract to add subsequent phases of work. The County estimates the value of Phases 2 and 3 to be \$625,000. The County plans on issuing one contract.

SUMMARY OF WORK: Under this contract, the Consultant will provide engineering and project related services for a wastewater storage facility in the city of Black Diamond and for the predesign, final design and services during the construction phase. The County plans to negotiate an initial contract for Phase I, Predesign through 30% design level, and property and easement acquisition services. King County reserves the right to amend the resulting contract to add subsequent phases of work or to select another consultant to perform the additional work.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes: environmental compliance, permit services, community relations, geotechnical investigation, survey and mapping, property and easement, and acquisition.

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is:

SEDB Goal	15%
